Qualification

- ◉ PH.D. Doctor of Philosophy (Management)
- ◉ Master In Business Admin (Accounting Major)
- ◉ Bachelor of Accounting (Honours), UiTM
- ◉ Diploma In Accounting (UiTM)

Working Experience

Over the years he has been actively involved in assisting its clients by carrying out accounting functions to assist them in ensuring a proper and complete set of accounting records are kept.

Given the existing of strong synergistic relationship with contract staff within its database, he has been a formidable force of support for its clients given the increasing need for clients to outsource the finance and treasury functions within the client's organisation.

Hence he has a ready support pool of professional staff ranging from various qualifications such as Accounting, Business, Information Technology, Engineering, Multimedia and Legal.

His area of expertise includes receivership, liquidation and restructuring. From his vast knowledge and experience which he has acquired over the years, he has demonstrated competency in legal, auditing and taxation. This includes tax planning, compliance services and advice on general tax legislation including double tax treaties.
